Died August 14, 2015

God, loving Father of us all, we thank You for calling our Father Paul to the Passionist family and counting him among Your faithful servants. You graced him with many talents and blessed him with many gifts. These he used so well in the service of Your crucified Son whom he loved so dearly. He touched many hearts, near and far. His prayers and ministry brought many souls to give you praise and glory. We pray that You reward him with an abundance of eternal life won by Jesus' suffering and death which Paul remembered with loving devotion. Grant that we will all one day join him and live with You and our dear Mother Mary forever and ever. Amen.
