### **Eruption of the Fuego Volcano.**

**Message from the Superior General  
to the Provincial Superior  
and to the Passionist Community  
of Guatemala**

**DEAR FR. JOSÉ MARÍA,**

when I received the news of the eruption of the Fuego Volcano in Guatemala, I was in Belgium for the celebration of the GABR Provincial Chapter. As more details slowly came to light, we could begin to understand the gravity of the situation that resulted in many deaths and even more, by the general destruction that took place.

From Rome, I would like to convey to the Sacred Heart Province and especially the religious of the Bishop Oscar Romero community of Guatemala that you are in our thoughts and prayers.

We are relieved by the news that we received from the Provincial Secretary concerning the situation of the family of Fr. José León. Please let us know if we can be of any assistance to you.

Fraternally,

Fr. Joachim Rego CP  
Superior General
