PROFESSION CEREMONY IN SAIGON

On Saturday, August 2nd, our brothers **Nguyễn Văn Hải, Thang Van Tran, Nguyễn Thái Hậu, Đào Văn Thắng, Ngọc Dung Ma (DJ) and Thân Văn Cường**, professed their first vows in a moving ceremony attended by their families, friends, fellow students and their Passionist brothers from across Vietnam.

Congratulations to the newly professed and to the students and senior members of our communities who organised and coordinated this moving event.

Fr **Chris Akiatan** (Novice Master), Brother **Larry Finn** and Fr **David King** were all able to be present and joined Fr **Jeff Foale**, the Formation Team members and St Paul's community at this ceremony. Our community in Xuan Loc and Vinh Dioceses were represented by Frs. **Huỳnh, Lương and Tuệ**, and our sister Congregation the Sisters of the Cross and Passion were also strongly represented.

After the ceremony, which was live-streamed by the media team of the Archdiocese of Saigon (and to date has attracted over 10,200 viewers), the newly professed and their families were hosted in a celebratory meal in the parish complex. Some 53 tables for up to ten guests per table were set up for this celebration.

Pictures from the event are now available on the following link:

VOCATION DAY

The community of St Gabriel's, Saigon, the formation team and students from St Paul's, St Gabriel's and Blessed Andrew House hosted a '**Come and See**' weekend on August 2nd and 3rd. Some 15 men attended.

In a moving tribute to the late Fr. **Thomas Thanh**, the majority of these younger men were from his home parish and were attracted to our Charism by his example.

Fr. **Jeff Foale** and I were able to join the gathering for Sunday morning's programme.

PRAYERS PLEASE

Please keep in mind the parents of Br. **Nguyễn Minh Toàn**, who were both injured when their motorbike collided with another vehicle. Toàn's parents were returning from the funeral of Fr. **Thomas Thanh** at the time. His mother has been hospitalised with some broken bones till this past weekend.

PRAYER TO ST. MARY MACKILLOP

God of the prophets, you gifted Mary MacKillop with vision and courage. In her we see one who was not afraid to speak fearlessly your gospel of love.

We pray for the sensitivity and imagination to read the signs of our times, and to articulate new possibilities for our own day. Like Mary, may we learn to confront all that is oppressive and unjust, and empower others towards true freedom and integrity.

Spirit of wisdom, be with us as we face new horizons..

Amen.

FEAST OF SAINT MARY OF THE CROSS

We Australians celebrate with joy this Feast Day of our first Saint, and as Passionists, we also take joy in the fact that there is a strong connection between Saint Mary and the Congregation of the Passion of Jesus Christ – the Passionists.

The priest who helped Mother Mary MacKillop found the Order of the Sisters of Saint Joseph of the Sacred Heart was Fr Julian Tenison-Woods (15.11.1832 - 07.10.1889) who joined the Passionist Novitiate at St. Saviour's Retreat, Broadway, Worcestershire in 1851. After profession, he spent time in Passionist Monasteries at Aston Hall and The Hyde but owing to ill-health, and with great regret, he left the Passionist Congregation.

Fr Julian became a Diocesan priest in Australia and at the age of just 24, he was appointed to the south eastern district of South Australia with Penola as its centre. He became increasingly concerned about the lack of Catholic education in his district and these concerns eventually resulted in the establishment of a school at Penola and to his association with Mary MacKillop. He was also instrumental in pursuing the purchase of an allotment of land in Naracoorte (1865) and in assisting with the founding of the Order of the Sisters of St Joseph of the Sacred Heart (1866).

In 1889, Fr Julian again fell seriously ill. Mother Mary MacKillop later wrote:

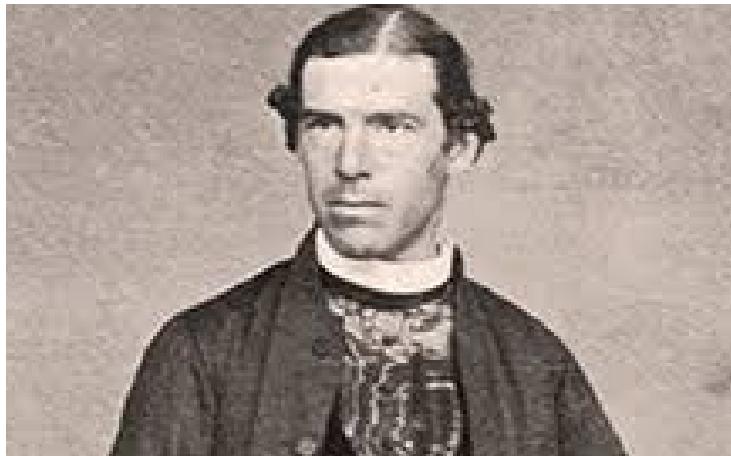

"On the 6th September, the doctor pronounced the case hopeless, and the Viaticum was administered. The old longing for the Passionist Religious Order which in his youth he had joined, still clung to him; and now, after all these long years, his hope was realised. Passionist Father Marcellus CP from Marrickville, at the request of the dying priest, invested him once more in the habit of the Passionists."

Early next morning, the longed-for end came; Passionist Provincial Father Marcellus CP was with him at the last and Fr Julian Tenison-Woods passed into eternal life, wearing a Passionist habit.

At his funeral, Mother Mary MacKillop said that Fr Julian's greatest regret was that he had not been able to continue his religious life as a Passionist.

Another connection of Mother Mary with the Passionists is that in 1873 - 1874, Mother Mary MacKillop was in Rome and several times visited Ss Giovanni e Paolo (the Passionist Generalate) where she attended Mass in the Chapel of Saint Paul of the Cross, Founder of the Passionists. She also obtained a relic of the Passionist Saint.

VIETNAM

In light of the sad loss of Fr **Thomas Thanh**, the project to create a new community building in the Xuan Loc Diocese will continue under the guidance of Frs. **Dien and Kiet**. The project remains under the authority of the Provincial and Council.

Fr. **Thomas'** family has been most supportive of our progress and is offering every assistance to help us access the information and funds marked for the construction of the new house. Frs. **Đặng Trọng Lương** and **Nguyễn Ngọc Huỳnh** are also offering their assistance to bring the project to conclusion.

The new house is approximately 80-90% completed externally, but requires a nearly complete internal fit-out. The small, cloistered garden attached to the new home is mostly established, and one feature – amazing to me, but not uncommon in Vietnam, building and construction circles – is that the garden has six or more fully established trees which were planted as mature trees. Thus, the garden looks established already!

SCAM ALERT

It is always helpful and good practice to keep alert to possible scams, and to remind ourselves from time to time how sophisticated they are becoming.

Despite the increasing use of **AI** to 'write' false commercial homepages or documents or create false identities, web and email messages, it is helpful to keep the following three warning signs – 'red flags' – in mind:

1. An unexpected email, pop-up, or SMS appears on your device.
2. The message pretends to be urgent or calls for immediate action, often suggesting viruses are currently infecting our device, or have attached a link for us to use.
3. The message stresses how vital it is to download software directly to your device.

Being careful and taking the time to pause and 'look again' before acting, is often our best defence.

May God bless you.

BROTHER JOHN McGEACHIE, C.P.

Br. **John McGeachie** will celebrate his 60th anniversary of Passionist Religious Profession on 22nd August 2025.

John has served the Holy Spirit Province, its mission and his fellow religious (both Passionists and other Orders) especially in their missionary endeavours in Papua New Guinea with great dedication and zeal. While he has been engaged in numerous ministries across these sixty years, his contribution to our outreach and wellbeing in Papua New Guinea can never be underestimated.

This occasion of your Jubilee, John, is but one opportunity for your brothers to thank you once again and recognise your faithful, energetic and creative participation in the life of the Holy Spirit Province and wider Church.

John has chosen to celebrate this event in his life not with any public ceremonies or celebrations (which were offered) but rather with a period of residence in the Southern Star Abbey for an extended time of Private Retreat. The Southern Star Abbey is a Cistercian Monastery located in a remote, rural area of the North Island of New Zealand in the Diocese of Palmerston North. The Monastery supports itself by operating a dairy farm. It will be quite a pilgrimage for John as the Abbey is approximately 8.5 hours drive from his residence in Auckland.

BR. JOHN McGEACHIE, C.P. cont...

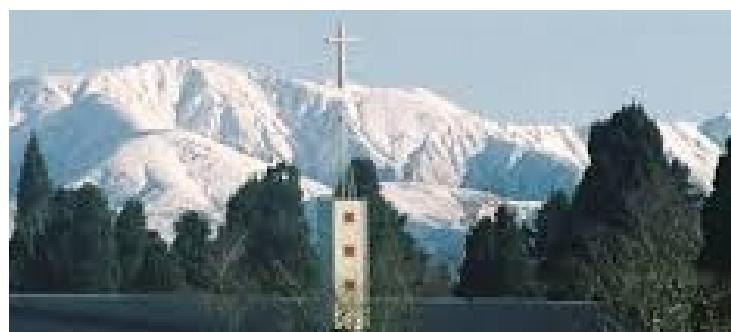

Following the retreat time, John will visit with some of his extended family in the lower part of the North Island, before returning home to Auckland.

We sincerely hope that John avoids any fog, snow or rain in his retreat time, and we have his assurance that he will be offering prayers for the Province during this time of retreat. let us assure him that we will be remembering him in our prayers in return.

PASSIONIST FAMILY GROUP MOVEMENT (PFGM)

On the weekend of 22-23 August, the National PFGM weekend will be held at Holy Cross Retreat, Templestowe. The programme will be based on the theme of "Nurturing" and will feature input from **Paul Traynor**, **Paul Casey** and **Brian Traynor**.

Participants will come from Queensland, NSW, ACT, Tasmania, South Australia and Victoria. **Tina Minichilli** is the Australian National Coordinator for the PFGM and **Paul Traynor** is the New Zealand National Coordinator.

APPOINTMENTS

Fr. Joachim Rego

Fr. **Joachim** has accepted a part-time appointment as a member of the Parish Team of St Brigid's Parish, Marrickville. The extent of his work and the role description will be arranged between he and Fr. **Giltus Mathias** (Parish Priest). Welcome to your new pastoral role Fr. **Joachim**, your presence will be much appreciated and certainly beneficial to all.

Br. Nguyễn Văn Phúc

In last week's Newsletter there was an unfortunate cross over of names. In fact, it is Br. **Nguyễn Văn Phúc** who having just completed his CPE Programme in Manila, Philippines, is to be transferred to St Paul's Glen Osmond for pastoral experience and ongoing formation.

HOLY CROSS FUND RAISING

Congratulations to the organising committee - led by **Tina Minichilli** and the Holy Cross Community, Templestowe, on the success of the recent fund-raising event at the Veneto Club, Bulleen in Melbourne.

The social event, including the support given in preparation for the event and at the dinner itself, as well as the financial returns from the event were all very rewarding and built community spirit. Funds raised will go towards renovations and ongoing improvements to the facilities of Holy Cross.

VISITORS TO ST BRIGID'S, MARRICKVILLE

This past week we were able to welcome and host Fr. **Joseph Nguyễn Như Tân**, SDD, the elder brother of Fr. **Thomas Nguyễn Như Thành**, C.P. Joseph stayed with us at St Brigid's Marrickville and spent time in Sydney visiting and thanking friends of Thomas and his wider family for all the support they had offered at the time of Thomas' death.

Brother **Larry Finn** has arrived from Vietnam and will spend some time with us visiting three of the communities. Larry hopes to visit Holy Cross and Glen Osmond apart from his time in St Brigid's Marrickville. Welcome to the Holy Spirit Province, Larry!

REMEMBER IN YOUR PRAYERS

Brother **Jerome Dunn** and Brother **Jim Coucher** have both had a short period of hospitalisation over the past two weeks but thankfully both have returned to their communities of Holy Cross and St. Brigid's respectively.

CATHOLIC RELIGIOUS AUSTRALIA (CRA)

Over the past week I attended the annual Assembly of Leaders of Religious Congregations, Orders and Institute of Consecrated Life. Over 150 Leaders (or council members) attended this gathering in Parramatta Diocese.

Religious in Australia today number 4000 members, and while this is an impressive number, it is also a diminishing one. The annual decrease is approximately 200 members and this may well accelerate in years to come. The younger or new Leaders and newer Institutes or Orders are often overseas based groups with a smaller representation in Australia as distinct from the traditional and long serving groups who while having European foundation are local in every other aspect. As we know vocations from our western society are vastly reduced.

Aging, diminishment, 'coming to completion' (i.e. ending of an Order's life and presence) are issues which occupy many of the members. The men's Religious Orders, as represented by the twenty-five male Leaders present, certainly face diminishment, but only a few are talking of 'closure'. For most men's Orders there is a sense of continuity due to the international nature of our Provinces or Congregations. Our issues focused more on the challenges of inter-cultural awareness and community life, the difficulty in obtaining visas for study or visits, and legal issues regarding land taxes and potential new laws concerning vicarious liability. The CRA Finance Committee (chaired by **Michael Nicholls**) noted that as membership declines, finances for CRA and its work will continue to be a challenge.

CRA Cont...

Bishop **Vincent Long** DD welcomed us into the Parramatta Diocese and was the celebrant at the Conference Mass. We were also privileged to have the presence of Archbishop **Charles Balvo** (the Apostolic Nuncio) with us for the entire Conference.

ABSENCE FROM PROVINCE

From 6 September 2025 to 27 September 2025 I will be away from the Province Office.

In part, I will be overseas attending the meeting of the Extended General Council in Rome. Following this I will be on holidays for two weeks.

From 5 September 2025 to 20 September 2025 Father **Chris Monaghan** will be delegated as Acting Provincial. Any matter that concerns the Provincial can be addressed to **Chris**.

Chris will also be attending a meeting in Rome from 20 to 28 September 2025. This meeting will engage various Passionist Scholars to address aspects of the Charism.

From 20 September 2025 to 27 September 2025 Father **Brendan Connell** will be Acting Provincial and any matter that concerns the Provincial can be referred to **Brendan**.

EXTENDED GENERAL COUNCIL

This meeting involves the Superior General, the six General Consultors, the seven Presidents of the Configurations and the General Secretary of the Congregation.

The Extended Council meeting will be conducted in a synodal context and as such an important element of our agenda will be listening.

A major focus of the meeting will be a review and ongoing conversation about the Configurations (which was called for by our most recent General Chapter). Another essential element of the agenda will be communication from General Consultors regarding the steps that are being taken to implement the various recommendations of the General Chapter in the areas of:

Charism/Spirituality/History, Mission, Formation, Solidarity/JPIC/Passionists International, Communications, and the Laity.

A further important element of the agenda will be a series of reports from the Configuration Presidents.

PROVINCIAL COUNCIL

The next meeting of the Provincial Council will be in Marrickville from Monday, 29 September 2025 to Wednesday, 1 October 2025.

CANONISATION OF PETER TO ROT

Papua New Guinea's first Saint – the martyr **Peter To Rot** will be canonised in a ceremony on Sunday 19th October in St. Peter's Rome.

Because of its significance to the nation of Papua New Guinea and thus to our Province, the Provincial Council have invited **Jacob Kuman** and **Tony Simbel** to represent the Province and especially their Papua New Guinean brothers at this ceremony.

Jacob and **Tony** will stay at our Generalate, Ss Giovanni e Paolo, as our brethren prepare for our Founder's Feast day. **Jacob** and **Tony's** presence will be symbolic of the dynamic life St. Paul of the Cross inaugurated in the founding of our Congregation as our brethren will witness another sign of the life and growth of the Congregation around the world. **Tony** and **Jacob** will be carrying with them the story of our mission that is over 70 years old, and the reality of our Congregation's presence and life in Papua New Guinea. While the canonisation is a ceremony with profound significance for the people of Papua New Guinea, it is good that we too can share in the spirit of this happy event.

UPCOMING MEETINGS

The Province Safeguarding and Professional Standards Advisory Committee will meet on Wednesday, 27 August 2025.

In-service: I will be absent from the Province Office on Thursday, 28 August 2025 attending an In-Service programme that is required to retain faculties in the Archdiocese of Sydney.

Visitation of Endeavour Hills will occur from 2 to 4 September 2025.

Visitation of Donvale community will take place on Friday, 5 September 2025.

VISIT TO PAPUA NEW GUINEA (PNG)

Michael Nicholls and **Bill Sultmann** (Chair of 'A Passionist Heart Foundation') have now returned from a week in Port Moresby, Vanimo, Tovu and surrounds in Papua New Guinea.

The purpose of their trip was for Michael and Bill to work with the Communities in Port Moresby (St. Gabriel's Retreat) and Tovu (Our Lady of Tovu Retreat) to progress the development of a new Senta Belong Helpim. The new Senta to be built on land allocated to the Passionists in the Vanimo township.

Senta Belong Helpim has been (and will be again) a care centre for mothers and significantly disabled children. The Passionists built and ran the original Senta Belong Helpim in the town of Warimo for over 30 years. Warimo is near to Vanimo. The community of Warimo remembers the work of the Passionist Fathers and Sisters at the Senta Belong Helpim with great appreciation and affection - they are anticipating the new Senta with great hope and anticipation.
